A sneak preview of WebISTAD:

ISTAD, CSIR's portal on the Web

Srinivas Bhogle, IMD, NAL

Rajendra Prasad, ISTAD, CSIR HQ

WEBISTAD

How it all started

- Dr Bhojwani's letter on www.newbizguru.com
- ISTAG Chairmen's meeting at Hyderabad earlier this year

Why can't we do it ourselves?

WEBISTAD

Questions, and more questions

- “Why do I receive announcements so late?”
- “Has my application been received by ISTAD?”
- “Where can I get a copy of the DAAD application format?”
- Is there some arrangement with Canada on collaboration in biotechnology?
- What should you wear for the Japanese banquet?
- Who was last year’s Raman Scholar?
- How much money can I save?

WEBISTAD

Why not a portal on CSIRNET or the Web?

Information dissemination

- Inform CSIR community about ongoing international S&T collaborative programmes

Information collection

- Assist in preparing and forwarding applications

Information exchange

- Provide updates on the status of clearances

Information search

- Offer access to databases compiling output resulting from collaborations

WEBISTAD

The opportunities

- Model attractive for CSIRTech, CSIR-HR, CSIRConsult, CSIRServe (www.arzoo.com)
- Infrastructure costs dropping, knowledge costs rising
- “Networked” development across CSIR labs

The worries

- Funding
- Is the mindset right?
- Who decides CSIR's IT policy? Are we really serious?
